

Police Unity Tour

"WE RIDE FOR THOSE WHO DIED"

Chapter 1

2024 Ride Itinerary

OUR MISSION:

The primary purpose of the Police Unity Tour is to raise awareness of Law Enforcement Officers who have died in the line of duty.

The secondary purpose is to raise funds for the National Law Enforcement Officers Memorial and Museum.

OUR HISTORY:

In May 1997 the Police Unity Tour was organized with the hope of bringing public awareness of law enforcement officers who have died in the line of duty and to honor their sacrifices. We started in 1997 with 18 riders on a four-day fund-raising bicycle ride from Florham Park, NJ to the National Law Enforcement Officers Memorial in Washington D.C. which raised \$18,000.00.

With nearly 2,500 members nationwide, we have continued our efforts to support the National Law Enforcement Officers Memorial and we are proud to announce that we were able to donate 2 million dollars to the National Law Enforcement Officers Memorial Fund in 2023, bringing our total donations over 27 years to approximately 36 million dollars.

The Police Unity Tour is the official sponsor of the National Law Enforcement Officers Memorial Fund's "Officer of the Month Program". Officers of the Month are honored at a special awards dinner each May in Washington, DC during National Police Week, and they are featured in the Memorial Fund's annual calendar.

With the completion of the National Law Enforcement Officers Museum, it was announced that in addition to the Hall of Remembrance the Entry Pavilion to the Museum would be named in honor of the Police Unity Tour. This recognition will enhance the awareness and understanding of the Police Unity Tour with every visitor that enters the Museum.

The 2024 ride will Northern New Jersey on May 9th and arrive in Washington, DC on May 12th. The Candlelight Vigil will take place May 13th on the National Mall. Check out is the morning of May 14th.

Most meetings in the future will have a virtual option to accommodate those who cannot attend. Dates of the meetings will be communicated via email. If you have any questions, please call the Police Unity Tour Office at (973) 443-0030 or email your questions to eventservices@policeunitytour.com.

APPLICATION PROCESS

The Police Unity Tour is a completely online application process. It is important to note that the online application is a **TWO PART** process. Your participation is not guaranteed, and your application is not complete, until you have finished both steps. Step one requires you to fill out the initial application. Once this application is submitted and your participation has been approved, you will receive an email with a link to the second phase of the application process. At the end of the second phase, you will be asked to electronically submit your **\$100 Non-Refundable Application Fee**. Again, your participation in the 2024 Police Unity Tour is not guaranteed until you have completed the second online phase, payment of your application fee has been received, **and a minimum of \$500 is raised within 30 days of acceptance**. If you do **not complete** Part 2 within 30 days of the Part 1 approval, your roster spot will be made available to other interested prospective members.

*****When filling out the online application, please do not use department/agency issued email address as your point of contact since sensitive firewalls and enhanced security have made using such addresses difficult. We cannot guarantee efficient communication through such email address.***** Any questions concerning the online application process, contact eventservices@policeunitytour.com.

FUNDRAISING REQUIREMENTS

We would like to take this opportunity to address fundraising requirements for the Police Unity Tour and the activities that are utilized to raise awareness and generate support. Each member, regardless of position; rider, motor, support, etc. is required to raise a minimum of \$2,100.00 in order to participate in the Tour. **All members must submit \$500.00 within 30 days of acceptance.**

Upon completion of the online application process, an online fundraising page is automatically generated for each participant. We strongly encourage you to use this page in your fundraising efforts. You can send a link to your personal fundraising page to potential donors; or they can make online contributions by going to the Chapter 1 website and searching for your name under the donations tab. This online fundraising page will keep track of ALL your donations to include those that are made online, as well as those that are made offline and mailed into the Police Unity Tour office. This online fundraising page will provide you with an up-to-date record of all the donations that have been attributed to you.

All offline donations must be submitted **with a completed 2024 sponsor form** so we can accurately credit you and your sponsors. Please include your name and department affiliation. Without this information it may not be possible to provide members with an accurate record of contributions. Sponsor forms are on the Chapter 1 website under Membership Information.

Sponsors who donate \$1,000.00 or more are eligible to receive a plaque as well as have their name displayed on the website and support trailers. Clearly print or type the sponsor's name on the form as they would like it on the plaque, trailer and website. Sponsor forms are available on the website. All donations are tax deductible. The tax identification number is 22-3530541.

Police Unity Tour is a not-for-profit organization under section 501(c)(3) of the Internal Revenue Code and while fundraising for participation in the tour, members must comply with all federal, state and local laws governing such fundraising.

USE OF THE POLICE UNITY TOUR LOGOS, SLOGANS AND LIKENESSES

The Police Unity Tour has obtained numerous trademark registrations over the years to promote its cause. These trademark registrations include, but are not limited to, its name, slogan, patches and logos. Anyone creating any clothing, merchandise, flyers, vehicle or trailer markings or paraphernalia that includes any mention of the Police Unity Tour or uses any of its logos, slogans, patches or likenesses, must first obtain permission from the Executive Board.

To obtain permission, you **must** submit a color proof of the intended use. This proof must be of the complete item, such as the front and back of t-shirts, coins, glasses, etc. Submission does not constitute guaranteed approval. Forward your proofs to eventservices@policeunitytour.com

POLICE UNITY TOUR SUPPORT TEAMS

Due to the overwhelming growth and success of the Police Unity Tour, it has been necessary to make continuous changes to the Support Team. **These changes are crucial to protect the safety, integrity, and future of the Tour.**

PROCESSION TEAM

The Bicycle Procession Team, along with the Motor Team has the primary responsibility for the **safety of the riders.**

The Procession Team will have a lead vehicle, which will be the central point for communications for the Procession Team as well as the Motor Team and Ride Marshals. Any questions or concerns with the procession will be addressed through the Procession Team Leader.

Any questions regarding assignments of the Procession Team, contact eventservices@policeunitytour.com

MOTORCYCLE SUPPORT TEAM

In order to ensure the safe and efficient movement of the Police Unity Tour, the Motor Team will work in conjunction with the Bicycle Procession Team and Ride Marshals.

Any questions regarding assignments of the Motor Team, contact team leader: pmatullo@policeunitytour.com.

BREAK TEAM

The Break Team travels directly to all break / lunch stops to prepare for the arrival of the bicycle procession. All rest areas have been predetermined and once at the rest area, the team leaders will be responsible for coordinating and assisting in the preparation and maintenance of the rest area.

Important as the Break Team is and truly understanding the meaning of unity, we must realize that for the overall good of the organization, the Break Team shall not be an escorted caravan. Under no circumstances shall the use of lights and / or sirens be permitted while the Break Team is in motion, nor shall any member of the Break Team contact another agency for an escort. Any member who violates this mandate shall be subject to immediate suspension and removal from the tour.

Any questions regarding assignments of the Break Team, contact eventservices@policeunitytour.com

HOTEL LUGGAGE & TRAILER TEAM

The Hotel Luggage & Trailer Team will leave each morning and proceed directly to the next hotels. They will take the most direct route that does not interfere with the course utilized by the bicycle procession. Once at the hotel, the team leaders will be responsible for coordinating and assisting with the offload, storage and/or delivery of luggage to rooms, if applicable.

If in the event a vehicle or vehicles should become lost while enroute to a hotel, you should notify your team leader.

Important as the Hotel Team is and truly understanding the meaning of unity, we must realize that for the overall good of the organization, the Hotel Team shall not be an escorted caravan. Under no circumstances shall the use of lights and / or sirens be permitted while the Hotel Team is in motion, nor shall any member of the Hotel Team contact another agency for an escort. Any member who violates this mandate shall be subject to immediate suspension and removal from the tour.

Any questions regarding assignments of the Hotel Luggage & Trailer Team, contact eventservices@policeunitytour.com

HOTEL LOGISTICS TEAM

The Hotel Logistics Team is responsible for working with hotel staff to set up the lobbies for the distribution of room keys, resolving any issues concerning rooms and coordinating with the Hotel Luggage Team in locating any misdirected luggage. Any room changes must be authorized by the Hotel Logistics Team Leader. Members are not to contact the front desk requesting room changes.

Any questions regarding assignments of the Hotel Logistics Team, contact hotels@policeunitytour.com

AGENCY / GROUP / TEAM SUPPORT VEHICLES & TRAILERS

The Police Unity Tour has allowed for vehicles from individual agencies, or groups of riders to accompany the tour. However, these vehicles must be approved by Police Unity Tour Team Leaders and the Police Unity Tour Executive Board.

The operators and any occupants must be accepted members of the Police Unity Tour and adhere to the conditions set forth below:

In order to have an agency/group vehicle and trailer approved to participate in the tour the "Vehicle Request Form" must be thoroughly completed. Along with the vehicle request form, we will require photographs that depict any and all markings on the participating trailers and vehicles.

The vehicle request forms can be found on the Chapter 1 website in the Membership Information tab. All vehicle requests must be submitted NO LATER THAN APRIL 1ST.

In requesting permission to utilize a vehicle and/or trailer during the Police Unity Tour, you must understand that the sole purpose of this vehicle is for the convenience of your agency/group. You must further understand and agree that this vehicle will go directly from hotel to hotel and at no time will it participate or interfere with the operation of the Police Unity Tour bicycle procession or Break Teams, **nor will any member of your group interfere with the Hotel Logistics Team by attempting to obtain room keys and/or check in with hotel staff or at the front desk.** Any request for keys, change of room or any problem dealing with your room assignment must be done through a member of the Hotel Logistics Team. **Only members of the Hotel Logistics team will communicate with hotel staff.**

As members of the Police Unity Tour, we must realize our greater responsibility to the brotherhood, our profession and what we represent as ambassadors to the National Law Enforcement Officers Memorial. **For that reason, as a member of the Police Unity Tour, you will not consume alcohol during the Tour operating hours, nor shall you possess or consume alcohol in your Police Unity Tour uniform, nor shall you possess or consume alcohol on/or near the grounds of the National Law Enforcement Officers Memorial or on any of the surrounding streets. Any violation of the aforementioned policy will result in your immediate ejection from the tour.**

No Agency/Group vehicles and/or trailers may be parked in close proximity to the Memorial grounds for the arrival ceremony without permission of the Executive Board. Additionally, ANY member of the Police Unity Tour that has control over a trailer and/or operates a vehicle at any time during the tour is expected to operate and/or park said vehicles/trailers in compliance with all state and local laws, especially in Washington, DC. Once in Washington, DC and the vehicles and trailers are **LEGALLY PARKED** there will be no consumption of alcohol in and or around these vehicles to ensure compliance with all state and local laws and as not to put any of our on duty Brothers and Sisters in a position where they have to make a decision that would ultimately have negative effects on anyone's career; theirs, ours or the overall wellbeing of the Police Unity Tour and its membership. Any violation of the aforementioned policies may jeopardize your participation in future tours and may also result in your team's support vehicle and/or trailers being banned from future participation.

You must further understand and agree that the Police Unity Tour assumes no responsibility for this vehicle or its expenses such as fuel, tolls, parking, or any fines for violation of state or local laws.

Operators and occupants of these agency/group trailers may be called upon to assist in other functions relating to the safe operation and efficiency of the tour. Failure to comply may result in your removal from the tour, jeopardize your participation in future tours and may also result in your teams support vehicle and/or trailers being banned from future participation.

The use of barbeque grills, fire pits or any type of open flame are prohibited at our hotels. Food is provided at our hotels at a cost to the tour, so we encourage you to eat at the hotels.

There have been many complaints about the debris left behind in the parking lots after the trailers pack up and leave. Not only are these complaints embarrassing to hear but they are jeopardizing future contracts with these hotels and damaging the reputation of the Police Unity Tour, not to mention law enforcement in general!

Important as the Support Teams are and truly understanding the meaning of unity we must realize that for the overall good of the organization the break, Hotel Luggage and Trailer Teams shall not be an escorted caravan. Under no circumstances shall the use of lights and / or sirens be permitted while these teams are in motion, nor shall any member of these teams contact another agency for an escort. Any member who violates this mandate shall be subject to immediate suspension and removal from the tour.

TRAINING, EVALUATIONS & EQUIPMENT

Training

Riding 300 miles in four days will require you to complete some substantial bicycle training.

Base training can be done on a spin bike or trainer, but within 3 months of the Police Unity Tour (February), you should be riding on the road at least twice weekly at distances that exceed 20 miles. Within 1 month of the Police Unity Tour, you should be riding at least three times weekly at distances that exceed 30 miles.

Evaluation Rides:

For new members, or those who did not complete all phases of the ride in the previous year, an evaluation ride consisting of at least 30 miles and 1000' of climbing is required for 2024. Any Ride Marshal can do the evaluation. Please contact training@policeunitytour.com for assistance with setting up an evaluation ride. The PUT Training/Evaluation form shall be completed upon completion. (Found on Chapter 1 website under Training)

The rider should be able to complete 30 miles in at least a two-hour 20 minute time frame. If you are riding further than 30 miles, an average pace of at least 13 mph for the duration of the ride is an acceptable level of riding. Please keep in mind that during the tour, you will have days where we approach 100 miles of riding, so successive rides in the same day and consecutive days of riding is also important to add to your training regimen.

All Ride Marshals are required to host a training/evaluation ride.

Marshals should submit to post their ride information on the Chapter 1 website at least 5 days ahead of time. An email contact should be listed requiring anyone needing evaluation to RSVP to the ride.

MEMORIAL BRACELETS

Memorial Bracelets

Each member is strongly encouraged to purchase a Memorial Bracelet with the name of an officer who died in the Line of Duty!

It is an unfortunate fact that, on average, 182 law enforcement officers die in the line of duty annually. Since the Police Unity Tour has grown to nearly 2500 participants annually, it is important that we not only honor those from the preceding year, but we never forget and honor those who made the ultimate sacrifice long before the Police Unity Tour started the Memorial Bracelet Program.

Please take a few minutes to do some research on historical line of duty deaths on the National Law Enforcement Officers Memorial website; <https://nleomf.org/memorial/facts-figures/roll-call-of-heroes/> and honor one of these fallen heroes.

Once you have chosen a fallen officer, it is your responsibility to contact the fallen officer's department to inform them about the Police Unity Tour and request assistance in making arrangements to meet the officer's family and/or department members at the Memorial and present the bracelet to them. If they are unable to meet you, the bracelet should be sent to them upon completion of the Tour.

We recommend that you order a duplicate bracelet if you would like to keep one for yourself.

The cost of the bracelets are as follows:

- Blue bracelets are \$17.00 **FOR BLUE BRACELETS, USE CODE FOR 20% DISCOUNT: CODE COMING SOON!**
- Silver bracelets are \$90.00

Please note the prices on all bracelets are subject to change based on the cost of the material.

Bracelets can be ordered directly online by going to the website:

<https://steeltigerent.com/product/police-unity-tour-2023-bracelet/>
